BOYERTOWN

BOILERS • FURNACES • CONTROLS

The Boyertown Furnace company's journey began in 1939 with a commitment to customer satisfaction, quality and craftsmanship, and the design of an oil fired warm air furnace known as the "HALLMARK".

Recently, Boyertown Furnace has added two new members to its family: the "REGAL" for residential applications and the "COX" for commercial applications – giving Boyertown Furnace the most complete line of oil furnaces in the industry.

Residential Products

- Regal Furnace
- Regal Star Furnace
- Regal Warm-air Furnace and Carlin EZ-H2L Burner
- Solaia Residential Cast Iron Boilers

REGAL Star Series

REGAL Star Series

Designed for the low-profile needs of today's homes, Regal Star furnaces feature:

- Available blower motors: 3-speed Direct Drive PSC or Variable Speed ECM
- Heating capacity: 60,000 BTUH's to 154,000 BTUH's with multiple firing rates
- Cooling capacity: 1-1/2 tons to 5 tons
- Easy-access cleanout ports
- Install as a low-profile Highboy or as a Horizontal with a left or right discharge
- Chimney-vent or direct-vent capabilities
- Limited Lifetime Warranty, 5-Year Parts Warranty

Customer Satisfaction Is Our Hallmark
